

CENTENNIAL PIONEER PARK

CONSULTATION SUMMARY REPORT

SEPTEMBER 2026

Project Summary and Consultation Purpose

The playground at Centennial Pioneer Park is due for renewal in 2026/27 - we asked what you would like to see included in the renewed playground

Average age of park
users

3-5 years

Overall favourite
activity

Freeplay

What we heard

- Nature areas are a key reason people enjoy this park
- Bird and wildlife watching, along with the nature walk, are popular activities
- Families enjoy a mix of playground, nature and free play
- Swings, slides and climbing equipment are favourite features
- Community support for parkour opportunities was mentioned in the feedback
- Some park users requested more toddler-friendly activities and improved playground safety

What we are doing now

- Reviewing community feedback to help inform the final design
- Choosing play equipment that reflects the requests of the community
- Assessing requests for parkour and other informal play opportunities
- Feeding back the final design and construction timeline once known
