

How to place your bulk junk

Help us collect your junk faster

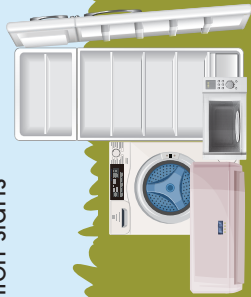

- Sort waste into separate piles for junk, mattresses and white goods
- Leave 0.5m gap between piles
- Keep footpaths clear
- Place junk out no earlier than one week before your collection starts
- Stay away from power domes and water meters

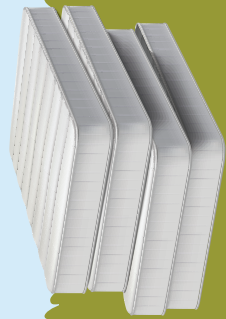

At least 1m from cars, trees and letter boxes

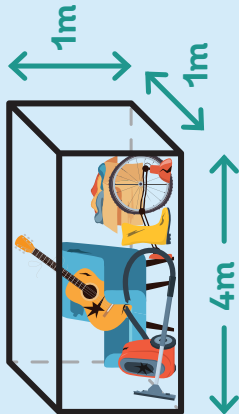

0.5m GAP

0.5m GAP

Limit of 4m³ per collection

Keep household junk separate

Up to 4 white goods

Up to 4 mattresses

City of Gosnells
PO Box 662
Gosnells WA 6990

RULE

4m³ bulk junk
4 white goods
4 mattresses

What's changing?

A fairer way to manage bulk junk collections.

The City is updating its approach to bulk junk collections to help deliver a more reliable, sustainable and efficient service.

For most households, the change is simple.

REMEMBER
THE SIMPLE
4+4+4
RULE

Up to 4m³ bulk junk

Up to 4 white goods

Up to 4 mattresses

White goods and mattresses are in addition to the 4m³ bulk general junk allowance.

Up to 4m³
bulk junk

Up to 4
mattresses

Up to 4 white goods

Your questions answered

Why is the City making this change?

To help provide a more reliable, efficient and sustainable service for residents.

Do white goods count towards the 4m³?

No. You can place up to four white goods in addition to your 4m³ bulk general junk allowance.

Do mattresses count towards the 4m³?

No. Up to four mattresses can be placed out in addition to the 4m³ bulk general junk allowance.

When should I place items on the verge?

Scan the QR code for your collection date. Place items on verge no earlier than one week before your bulk collection starts.

Why should I separate my junk into different piles?

Separate piles help our crews collect junk faster and ensure more items can be recycled.

What if I have more than the allowed amount of junk?

Consider donating, recycling, using a skip bin service or visiting a junk disposal facility. You can also pay for an additional collection by contacting the City.
