

Kenwick wastewater pipeline

Notice of Proposal

Notice of proposal to construct 458 metres of wastewater pipeline in Kenwick.

To allow for future connections to our wastewater system, Water Corporation plans to construct 458 metres of wastewater pipeline in Kenwick.

The map opposite shows the location of the proposed work.

The pipeline will be installed below ground using trenchless technology. Impacted areas will be reinstated upon completion of the work.

Subject to obtaining all necessary approvals, the proposed work is scheduled to commence late-2024 and will take approximately eight months to complete.

This work is shown in the attached Notice of Proposal plan which can also be viewed at watercorporation.com.au/kenwickpipeline

Any objections to the proposed work will be considered if lodged in writing and addressed to the Project Manager; Nisarg Shah, PO Box 100, Leederville WA 6902 or via email nisarg.shah@watercorporation.com.au by **5:00pm on Friday 6 September 2024**, fully stating your reasons for the objections.

Please note: a more technical diagram can be provided upon request.
