

CRESTWOOD ESTATE PLAYGROUND

CONSULTATION SUMMARY REPORT

SEPTEMBER 2026

Project Summary and Consultation Purpose

The playground at Crestwood Estate in Thornlie is due for renewal in 2026/27 - we asked what you would like to see included in the renewed playground

Average age of kids
attending the park

4

Increase in funding
provided by CHOA

\$40k

*following community
consultation

What we heard

- The playground and surrounding park land is a much loved part of the community
- The current play equipment doesn't meet the needs of the children frequently using the space
- Concerns around safety and age appropriateness were highlighted frequently
- Free or creative play is common at the park
- Slides and seesaws are the most popular equipment at playgrounds for the children responding to the survey
- Preference for softfall options that aren't woodchips

What we are doing now

- Crestwood Home Owners Association (CHOA) have committed up to \$40,000 of funding for the playground renewal (bringing the total project funding to up to \$80,000)
- This has changed the scope of works and we will now need to review our options for inclusions in the project
- We will be working with the CHOA to finalise designs - CHOA have committed to completing engagement with residents directly
- Feedback provided in the consultation will be used to help ensure appropriate equipment is selected for installation
